

BG. Quality Honey

PRODUCT CATALOGUE

BG QUALITY HONEY is a leading company in the export of honey and apiculture products in Bulgaria. Our main activity is chiefly export-oriented and we have our own honey production and processing facility that is in compliance with all European standards. Being well-known for our product quality of no compromise and accurate services, we are pleased to work with some of the largest companies in Europe for a long time. We have various types of honey and packaging available that enable us to meet all the requirements of our customers. Bulgarian honey is well-known and recognized for its valuable properties and thanks to **BG QUALITY HONEY** everyone has the opportunity to see for themselves and enjoy its uniqueness.
